Rule 1

definitions

Section 1

field events

article 1 A flight is a round of trials for contestants in the Softball Throw and the Long Jump.

article 2 A foul is one which is counted as a trial, but which is not measured because of some violation of the rules.

article 3 The scratch mark is the line which is used in the Long Jump and the Softball Throw to mark the limit beyond which a competitor may not touch during competition.

article 4 All field events in the U.S. will be measured in feet and inches to the nearest one quarter

Section 2

finish

article 1 A dead heat is a situation in which two runners cross the finish line at exactly the same instant. This results in a tie if winning places are involved. Refer to Page 9 - Rule 3 - Section 2.

article 2 The finish tape is a soft material which can be stretched across the track directly above the finish line to aid the judges in determining which runner crosses the finish line first.

Section 3

general conditions

article 1 A preliminary flight or heat is the first level of competition in any event which qualifies participants for the next level of competition.

article 2 To qualify is to win the right to participate in a semi-final or final race or flight by meeting certain standards in an earlier race or flight.

article 3 To scratch is to designate the withdrawal of an entry before competition begins.

article 4 No spikes will be allowed on the track. In field events, cleats are not allowed, e.g., football/soccer shoes. The participant's shoe cannot be used to gain an advantage. Any violation of this rule will cause disqualification of the participant in the event in which the illegal shoes were worn. A shoe is a covering for the foot and must be used by participants. The Aqua Sock (or similar footwear) is permissible. The use of ballet-type slippers or socks does not meet the requirements of this rule. No athlete will be allowed to compete in bare feet.

article 5 The proper track uniform consists of a minimum of a jersey or blouse, boxer-type trunks or shorts, sweats, long pants, leotards or tights which are not objectionable, and shoes. (See Rule 2, Competitors and Attendants, Section 3, Art. 1, 2, and 3)

article 6 Unsportsmanlike conduct is conduct which is unfair or language which will bring discredit to the individual or the team: disrespectfully addressing an official; using profanity; criticizing an opponent or an official; throwing a baton following a relay.

Section 4

relays

article 1 The baton is the implement which is used in a relay race and is handed by each runner to the succeeding teammate.

article 2 An exchange zone is designated for exchanging the baton during relay races. It is an area the width of one lane and 20.11 meters (22 yards) long.

article 3 A relay is a race during which four runners participate as a team. An individual leg of the relay is finished when the incoming runner passes the baton to the succeeding runner.

article 4 A relay leg is the distance over which one runner of a relay team must run. Each runner may run only one leg of the relay.

article 5 In the sprint relay, outgoing runners waiting for the baton must take positions and begin running inside the passing (exchange) zone. The baton will be passed within the exchange zone (it is only the position of the baton which is decisive and not the position of the body or limbs of the competitor).

Section 5

starting

article 1 The starting runner may not touch the scratch line or the ground in front of it until after the starting gun has been fired.

article 2 A staggered start is a method of equating the distance for all competitors when a race is run in lanes around one or more curves (200M or 400M). The runner or relay team assigned to the second and each succeeding lane starts a specified distance ahead of the runner on the left.

article 3 In the 800 and 1600 meter races, a curved starting line (waterfall) will be used so that each competitor will run the same distance going into the curve. (See Rule 5, Section 1, on Lane Infractions)

article 4 Starting blocks are not permitted.

Section 6 track events

article 1 Course is a general term used to indicate the path of a runner. In races where each runner is required to remain in a specified lane, the course is the same as the lane.

article 2 A heat is a preliminary race to eliminate slower competitors so the final race will include as many of the fastest competitors as desired. When there are a great number of entries in a given event, the heats could be arranged in preliminary and semi-final rounds (the number of final competitors is at least equal to the number of awards to be given). A final heat may or may not be conducted at local, district and state meets based upon a decision of the meet committee.

article 3 To jostle is to run against or elbow another runner. It is a form of crowding or bumping between two runners which hampers or impedes one of them.

article 4 A lane is the course which is marked on the track for a race. A runner must stay in this prescribed path unless informed otherwise by the starter. Lanes vary in width depending upon the size of the track and the number desired for a given meet. Lanes should be one meter, seven centimeters (42 inches) wide whenever possible. (See Rule 5, Sections 1 and 2)

article 5 A runner is a participant in a race. Other terms used to designate a participant are contestant and competitor.

Section 7 track meet

article 1 All distances except field events will be measured in meters. Field events will be measured in feet and inches to the nearest one quarter inch.

article 2 If preliminary heats are conducted, only winning times/marks for the final event will be submitted (i.e., heat or trial times/marks will not be submitted).

article 3 The Board of Review is the administrative body responsible for the proper conduct of a track meet.

Rule 2 competitors & attendants

Section 1 participation limitation

article 1 Each competitor is individually responsible for promptly reporting for each event entered. He or she must report to the Clerk of Course or bullpen for any running event or the designated area for field events.

article 2 The following is allowed event participation per age group at the district/regional and state meets: 9 & 10, 11 & 12, and 13 & 14 may participate in one (1) field event and two (2) running events and the relay; or two (2) field events and one (1) running event and the relay, for a maximum of 4 events.

If a competitor exceeds the event limit, the event that puts the competitor over the limit as specified above shall cause the competitor to be disqualified from the event(s) exceeding the limit. In the case it is the 4x100 relay, the team may move forward with an eligible substitute from the meet where the infraction occurred

article 3 Attendants may not accompany a competitor to the starting area. Any competitor will be disqualified if, in the opinion of the meet referee, the runner has in any way been aided by a coach, teammate or anyone connected directly or indirectly with the individual concerned. Such aid includes running alongside a teammate, being stationed at various points near the track, or located near any of the field events for the purpose of aiding or coaching the competitor after the race or field event has been started.

article 4 A competitor officially becomes a participant when he or she, or a relay team of which they are a member, reports to the Clerk of Course or to the Judge of a field event in which he or she is entered. Participant will not be permitted to enter the competition after the Clerk closes the entries in the running events, or in the field events after the Judge has determined the places for the competition.

Section 2 disqualification

article 1 Any competitor who is disqualified for unsportsmanlike conduct shall be ineligible for further participation in the meet in progress and shall not advance to the next level of competition. Unsportsmanlike conduct is defined as a competitor who displays inappropriate behavior(s) or willfully fails to follow the direction of the meet referee and/or meet director.

article 2 Any competitor who is disqualified for competing in more than one local and/or district meet shall be ineligible for further participation in the meet in progress and shall not advance to the next level of competition.

article 3 Any competitor who is disqualified for competing in the wrong age group; wearing illegal shoes; aiding a participant directly or indirectly by accompanying participant to the starting area, running along side participant, being stationed at points along the track to aid /coach participant; or exceeding the allowed event limit shall be disqualified from that event.

article 4 At all meets, all protests must be filed with the Meet Referee in writing within fifteen (15) minutes of the ruling (disqualification).

Section 3 uniforms

article 1 A competitor must be in the proper track uniform and wearing the assigned contestant number (when numbers are used) before being permitted to compete.

article 2 The recommended uniforms for the state meet can be t-shirts, shorts (boxer-type trunks, gym trunks, sweats, long pants, leotards or tights which are not objectionable), and shoes. Relay teams may run in leotards or tights which may or may not match in color.

Rule 3 awards

Section 1 awards

article 1 Ribbons will be awarded at District/Regional Meet and the State Meets.

Section 2 ties

article 1 A tie in a running event occurs when two or more runners cross the finish line at exactly the same time. If the time is equal, the runner with the higher picked place is the winner. If place and time are the same, the persons involved will rerun the race at an appropriate time during the meet. When two or more runners or relay teams, running in separate heats or sections, have identical times, those involved will rerun the race at an appropriate time during the meet.

article 2 When there is a tie for places in field events determined by distance, the higher place is awarded to the competitor whose second best performance is better than the second best performance of any other competitor tied for that place.

Rule 4 start & finish

Section 1 start

article 1 The starting of each race shall be done by the report of a pistol fired so that its smoke or flash will be visible to the timers or other sounding device. A whistle or starting pistol of any caliber may be used.

article 2 For an unfair start, the starter or assistant starter shall recall the runners by a second shot. If any competitor is in motion after a starter gives an order to "Set," the starter shall not fire the pistol or blow the whistle and will ask the athletes to stand.

article 3 The starter must receive a hand signal or whistle from the head judge that the judges are ready. When communicating with the starter, the head finish judge should use the following signals: (1) to indicate ready,

move one arm upward full extension and down to the side five times in succession accompanied by the use of a whistle; (2) to indicate not ready, move both arms to full extension and criss-cross them. Use of flags is also permissible. Do not use whistle.

article 4 In starting sprints, the starter shall direct the competitors “On your marks.” At this signal, the competitors will immediately take their proper positions on their starting lines. After they have taken their positions and are steady on their marks, the starter shall instruct them to “Set.” At this command, all competitors shall at once, and without delay, assume their full and final set position in such a manner that no part of their bodies touches on or over the starting line. After an interval of approximately two seconds, when all competitors are set and motionless, the starter shall fire the pistol, or blow the whistle.

article 5 For races of 800 meters and longer, the starter will use the command “On Your Marks” and, when all competitors are steady, shall fire the pistol, or blow the whistle.

article 6 A false start occurs when a runner fails to comply with the starter’s commands; or when a runner leaves the mark with a hand or foot after the “Set” instruction, but before the pistol is fired or whistle blown or when a runner leaves the mark without the pistol being fired or whistle blown. The offenders shall be warned the first time and shall be disqualified from the event on the second violation. If a competitor uses tactics at the starting line which are designed to disconcert, he or she will be warned. If the runner’s action is repeated, the contestant shall be disqualified from the event.

article 7 No starting equipment for the runners will be allowed.

article 8 In the state meets, all

lanes (and positions) may either be drawn by chance or seeded.

Section 2

finish

article 1 The finish line is a line on the ground across the track from finish post to finish post. It shall be indicated by a mark drawn just outside the measured course so that the inner edge of the mark coincides with the actual finish line. The competitors place in the order in which any part of their bodies (e.g., torso, as distinguished from head, neck, arms, legs, feet or hands) reaches that edge of the finish line first crossed by the competitor.

article 2 For the purpose of aiding the judges, but not to be used as a finish line, soft material may be stretched across the track at the finish (approximately one meter, 21.92 centimeters or four feet above the ground). This soft material shall be “breasted” by the competitor or competitors finishing and must not be seized by the hand. A soft material in white, yellow or orange has been found to be satisfactory.

article 3 State times for running events will be recorded to the 100ths. It is strongly suggested that all meets should be recorded to the 100ths in running events.

article 4 The Board of Review may approve the use of an official Full Automatic Timing system (FAT) to verify the outcome of any race (use must be determined before the event begins). When using the FAT system, the standard conversion does not apply to Granite State Track & Field meets.

Rule 5

running infractions

Section 1

lane infractions

article 1 When a race is run in lanes, each competitor shall keep his or her own position in the course during the entire race. A competitor who, without being fouled and while running around a curve, gains an advantage by stepping on or over the inside lane line may be disqualified from the event. A competitor who, without being fouled and while running around a curve, steps on or over this lane line for three or more consecutive steps either with one or both feet shall be disqualified from the event.

article 2 In a race involving a curve and where lanes are not specified, a runner may change toward the inside or outside of the track when he or she is one full running stride (2.2 meters, seven feet) in advance of the runner whose path is crossed. It is not a foul if a runner crosses to the inside or outside if this action does not interfere in any way with another competitor’s stride.

Section 2

interference

article 1 If any runner impedes another competitor by jostling or running across an opponent’s path, deliberately runs on or inside the track curb (or painted line), or illegally runs outside the assigned lane or course, the referee shall disqualify the runner, or in a team race, the entire team from the event.

article 2 If interference occurs in any preliminary heat, the referee may allow the offended runner or team to start in a subsequent heat in the same round of heats if a lane

is available, or in the next round of heats, just as if the runner or the team had won a place. If interference occurs in the final heat, the referee may order a new race between all of those who, in his opinion, are entitled to the privilege.

Section 3 aiding competitor

article 1 Aiding a competitor is defined as: (a) anyone associated directly or indirectly with a competitor who paces the contestant by running for the purpose of assisting the runner; (b) a competitor who is a lap behind the leading runner paces or otherwise assists a teammate or impedes another runner; (c) any runner intentionally leaves the track and re-enters to continue the race; or (d) contestants who join hands or grasp each other in order to finish a race in a tie. For any such act(s), the competitors shall be disqualified from the event.

Rule 6 *age groups, sex division & eligibility*

Section 1 age groups

article 1 Contestants will compete in events according to their age. There will be three age groups.

article 2 Competitors will determine which age group to enter by calculating their age on December 31.

article 3 All contestants must compete in their respective age groups

article 4 Any contestant who enters or competes in an age group which he or she does not legally belong will be disqualified from that event.

article 5 Each contestant must show document proof of age to the local sponsoring agency.

article 6 Proof of age will be approved only after viewing a birth certificate or equivalent legal document, such as passport, adoption papers, certified school record, baptismal certificate.

article 2 Eligible children should compete in the program in the state in which they live. Any eligible child who lives outside the jurisdiction of a local sponsoring agency in his or her state, may participate in the program with the permission of the agency.

article 3 Any question regarding eligibility will be referred to the GSTF Committee. The ruling of this Committee is final.

Section 2

relays

article 1 Relays are races between teams of four contestants, no one may run more than one leg. The members of a team may be changed until a preliminary heat has been run. After a heat has been run, only an injured or ill member

of the original relay team may be replaced by another runner. The disabled athlete may not enter further competition in the meet.

article 2 It is permissible for the order of running to be changed between heats and succeeding rounds or the final.

article 3 Each runner shall carry a baton in hand and shall pass it to the succeeding teammate. The first runner shall start with the baton and the last runner shall carry the baton across the finish line.

article 4 In relay races, the baton must be passed while it is within a 20.11 meter (22 yard) exchange zone. The exchange zone is determined by lines drawn perpendicular to the inside lane line and 10 meters (11 yards) on each side of the exchange zone mark. The lines marking the limits of the exchange zone are included in the 20.11 meter measurement. The acceleration zone shall not be used.

article 5 The baton must actually be handed, not thrown, from one competitor to the succeeding teammate. This teammate may not take sole possession of the baton outside the exchange zone. If the baton is dropped in the exchange zone, in a legitimate attempt to hand it, either runner may retrieve it without penalty provided the runner does not interfere with an opponent. If the baton is dropped outside the exchange zone, it must be retrieved by the runner who dropped it.

article 6 After passing the baton, the relieved runner should stand still or jog straight ahead unless he or she is in the inside or outside lane. In these cases, the relieved runner shall step off the track as soon as possible.

article 7 A team shall be disqualified for failure to pass the baton in accordance with the rules.

The referee also may disqualify a team for other running infractions. The rules relative to fouling, coaching or impeding a runner apply to relay races as they do to all other track events, except within the exchange zone. In this case the runner who passes the baton and his/her successor who receives it may overlap each other. The incoming runner shall not assist his/her teammate by pushing him/her.

article 8 Throwing the baton following the finish of any relay is unsportsmanlike conduct and will cause the relay team to be disqualified.

article 9 The relay baton shall not exceed 29.9 centimeters (11.81 inches) in length. Its circumference shall be at least 10.16 centimeters (4 inches) and no more than 12.7 centimeters (5 inches). It shall be a smooth, hollow tube made in one piece. The baton shall be made of wood, metal, plastic or other rigid material. It shall weigh at least five decagrams, or 1.766 ounces. The use of tape to wrap the baton is prohibited.

Rule 8

field events

Section 1

general rules

article 1 Contestants shall report promptly to the Event Judge at the designated location when the event is announced. A contestant shall be charged with an unsuccessful attempt if he or she does not complete a trial or pass it within two minutes after being called for a trial unless excused by the Event Judge to participate in another event.

article 2 A competitor excused to compete in another event shall return to the excused event immediately following the completion of the other event.

article 3 In both field events, participants will have two successive attempts. The order of the third attempt will be decided by the officials in the local, district and state meets.

article 4 All field events will be measured in feet and inches to the nearest one quarter inch

article 5 In all field events, the measurements shall be measured and be recorded with the “zero” end of the measuring tape held at the point of a contestant’s landing and the feet and inches markings at the edge of the scratch line.

Section 2

standing long jump

article 1 All competition in the Standing Long Jump will be on a flat surface. A Long Jump pit may be used. It is recommended that two judges (one on either side to measure length) be used.

article 2 A competitor may (1) rock forward and backward, lifting heels and toes alternately on the surface, but may not lift either foot completely off the ground or slide it along in any direction on the ground; (2) both feet must be parallel to each other, an equal distance from the scratch line before jumping; (3) both feet must leave the ground at the same time.

article 3 The jumper must take off from the scratch line. If the jumper’s shoe extends over the scratch line or makes a mark in front of it, the jump shall not be measured, but shall count as a trial.

Section 3

Running long jump

Article only 13-14 year old athletes are eligible for the running long jump. Will follow NFHS rules.

article 4 Each jumper is entitled to three trials. Each trial shall be recorded. The contestant with the longest jump shall be considered the winner.

article 5 In the case of a tie, the contestant whose next best performance is better than the second best performance of any other competitor tied for that place shall be declared the winner.

article 6 Each legal jump shall be measured perpendicularly to the scratch line or its extension to the point touched by the person or apparel of the jumper which is nearest the scratch line or its extension.

Section 3

softball throw

article 1 The ball throwing competition will be conducted using a softball with a minimum circumference of 30.14 centimeters (11 7/8 inches), and a maximum circumference of 30.78 centimeters (12 1/8 inches). The minimum weight of the softball must be 17 decagrams (six ounces) and its maximum weight must be 19.13 decagrams (6.75 ounces).

article 2 The throw may be from either a standing position or on the run.

article 3 No glove, tape or other foreign substance may be applied to the throwing hand unless it is required for medical reasons.

article 4 Stepping on or over the scratch line constitutes a foul. A contestant must throw within the five foot throw marks. A contestant is permitted one run-up without releasing the ball. Failure to release the ball on a second run-up shall constitute a trial (foul).

article 5 Each thrower will be allowed three (3) trials. The longest trial will be considered the winner.

article 6 In case of a tie, the contestant whose next best performance is better than the second best performance of any other competitor tied for that place shall be declared the winner.

article 7 Each legal throw will be measured for distance from a point at the center of the five foot throw marks to the spot where the ball lands between two parallel sidelines.

article 8 The throw must be made from inside the five-foot throw marks indicated on the scratch line. The ball must land inside the fifty-foot wide parallel sidelines. The line is out of bounds. The measurement is taken from the center of the five-foot throw marks located on the scratch line to the point touched by the ball which is nearest the scratch line.

article 9 Throws will be conducted in flights as stated in Rule 8, Section 1, Art. 3 and Rule 1, Section 1, Art. 1. (It is suggested that approximately eight competitors make up one flight).

Section 1 district level

(where applicable)

article 1 Each State Chair will determine if district meets will be part of their program. The district meet coordinator will be responsible for organizing and administering the district track and field meet with approval from the State Chair to determine number of district meets within the state and locations.

article 2 Each district meet will be a qualifying meet whereby local meet participants/winners will advance to the district meet level. District meets are not open and must be acknowledged/approved by the State Chair.

article 3 Each district meet coordinator will ensure that all participants are registered on the required *Granite State Track & Field* local entry form to confirm participation approval by parent/guardian and confirm that participants are competing in the appropriate age group.

article 4 All ribbon awards are to be uniform and standardized. A merchandise catalog is available within the on-line Event Manager program for ordering ribbons, t-shirts, etc., if interested.

Section 4 local level

article 1 It is the philosophy of the Granite State Track & Field that any eligible child be given an opportunity to participate.

article 2 Each local participating agency shall hold qualifying trials to determine the best competitors.

article 3 All participants must register on the standardized entrance form, a sample of which is included in the Rule Book and Manual and also available in the resources area of the online Event Manager program at

article 4 Local meet directors may supplement the local program by conducting events for participants under 9 years old (as of December 31). The events and age grouping will be at the discretion of the local meet director. Note: These participants will not be able to advance to the next level of competition.

article 5 All ribbon awards are to be uniform and standardized. A merchandise catalog is available for ordering ribbons.

Rule 9 rules interpretation

Section 1 general rules

article 1 These rules have been adopted by the Board of Directors.

article 2 Interpretation of these rules by the Board of Directors is final.

article 3 The National Federation of State High School Track and Field Rules govern the conduct of the Granite State Track & Field except when noted in this Official Rule Book. New State Chairs will receive a copy of the Federation Rule Book.

article 4 A competitor officially becomes a participant when he or she, or a relay team of which they are a member, reports to the Clerk of Course or to the Judge of a field event in which he or she is entered. Participant will not be permitted to enter the competition after the Clerk closes the entries in the running events, or in the field events after the Judge starts competition.

Guidelines for Participants

1. Unsportsmanlike conduct will disqualify a participant from the meet in progress and from advancing to the next level of competition, i.e., disrespect, profanity, throwing a baton, etc.
2. A runner must stay in the lane assigned for the 50 meter, 100 meter, 200 meter, and 400 meter dashes and the 4 x 100 meter relay.
3. It is the participant's responsibility to report to the bullpen area for an event on time. Participant must listen for the announcement of his/her event.
4. The following shall require disqualification of a participant from the event: competing in the wrong age group; wearing illegal shoes; aiding a participant directly or indirectly by accompanying participant to the starting area, running along side participant, exceeding the allowed event limit; causing a second false start; receiving a second warning at starting line for actions that confuse/upset other competitors; gaining an advantage by stepping on or over an inside line on a curve; stepping on or over a lane line for three or more consecutive steps with one or both feet on a curve; or causing interference of another runner.

The following shall require disqualification of a participant from meet in progress and advancing to the next level of competition: unsportsmanlike conduct and participating in more than one regional meet.

5. Lane and position may be drawn randomly or seeded according to guidelines adopted by the Board of Review.
6. In the relay event, the baton must be passed within the exchange zone. No aid may be used on the track. The baton must be handed, not thrown. The runner passing the baton should remain in the lane so as not to interfere with a runner in another lane. Rules relative to fouling, coaching, or impeding a runner apply to relays.
7. A regulation baton must be used. It may not be wrapped with tape.
8. A participant may be excused from a field event to participate in a running event. The individual should return directly to the field event following the running event.
9. No spikes will be allowed on the track. In field events, cleats are not allowed. The participant's shoes cannot be used to gain an advantage. No athlete will be allowed to compete in bare feet. (See Rule 1, Section 3, Article 4)
